Motion for Continuance

To Seek Private Counsel

I, Kashawn Boykins on this day of March, 25, 2022. Would like to file a motion to seek Private Counsel, Due to the fact my Attorney has represented me thus far ineffectively. And he has been trying to pressure me into signing a plea for almost the last 3 days before trial, And this is not like and I know he hasn't prepared a defense on my behalf of any sort.
